Price List, 1918-19

Notice.—We sell six at dozen rates, fifty at hundred rates, five hundred at thousand rates.

We sell only such varieties as are found in cat-

We sell only such varieties as are found in catalogue or special circulars. Before we commence packing, we tie all our strawberries in bunches of twenty-five; currants, gooseberries, blackberries and raspberries in bunches of twelve, twenty-five and fifty. Therefore, let your orders call for these different fruits in the quantities that they are tied, not string them along one, two and three, as this causes loss of time and waste in breaking packages at packing time.
